Stats: 15 Greens, 11/14 Fairways, 28 Putts

Comments: Praise God for the Second Place Finish! The course was in great shape and the weather was nice. I had a great look at eagle on 16 and a good look at birdie on 18. I was one shot out of first place.

Positives: Mental routine, Driving, Iron play and Putting were all very good today. Trusting God today really helped me stay focused on my intensity over the ball and not let fearful thoughts come into my head.

Areas to Improve: Too aggressive with my chip shots...Could have been 3 strokes better on easy chips.
